

Dear Parents,

The fall season is upon us. It will become difficult to decipher symptoms whether your child has seasonal allergies, the common cold, flu, or Covid-19. If your child has 2 or more symptoms they should stay home and see their pediatrician.

You need to stay home if you have:

If your child shows 2 or more of the following symptoms:

Fever over 100	Headache	Or if you have been 6 feet
New cough	Body aches	of someone diagnosed with
Short of Breath	Chills	Covid-19 for 10 minutes or more
Difficulty Breathing	Sore Throat	
Loss of taste or smell	Nausea/ vomiting / diarrhea	

When can your child return to school?

Positive Covid 19 Test	No Covid Test	Negative Covid-19 Test	Exposure to Covid 19
May return after 14 days	May return after 10 days	At least 48 hours no	May return after
And at least 48 hours with	and 48 hours fever free	fever without taking	14 days
With no fever taking medicine	without taking medication	medication and symptoms	No symptom's
And symptoms are gone.	and symptoms are gone.	are gone.	Need Doctors note.
Need Doctors note clearance.	Or a Doctors note with		
	Alternate diagnosis.
